

### **Chiva Som – Sleeps 4**

Chiva Som is an excellent renovation from Porthleven's former gig club. This superb cottage is central to the village and just a few minutes away from the harbour and a short walk to the beach. The cottage sleeps four and has one double bedroom with ensuite shower room and one twin bedroom with ensuite bathroom facilities, all of which have been sumptuously furnished to a very high standard and with underfloor heating. The first floor incorporates open plan living with original oak flooring and some original features complemented by the owner's taste in luxury furnishings and the contemporary décor. Wall mounted TV, DVD player, music system and playstation. A fully fitted kitchen with granite worktops, washer/dryer and dishwasher. The heating on this floor is provided by a wood burning stove and electric storage heating. All bed linen, towels, heating and electricity are included in the price. A parking space can be provided.

Chiva Som is in an extremely convenient location in the centre of the village but is quiet and peaceful. The name means "Haven of Life" which is a perfect description of this beautiful, modern cottage.
